YOUTH PROGRAM

The MBHL, Quebec's largest ball hockey league, is proud to introduce its inaugural season for its Youth League, starting April 2012.

Thanks to NHL stars like Alex Burrows of the Vancouver Canucks, ball hockey has taken off in Canada! Many players today play the sport to improve their endurance, hand-eye coordination, and their speed. But it's also a great way to have fun with friends.

A growing sport in Canada

The MBHL is committed to providing a premier ball hockey experience by creating a safe and fun sporting environment. We look forward to having you and your child join us this Spring!
